BLM Kremmling seeks comment on five commercial recreation permit applications

Kremmling, Colo. – The Bureau of Land Management Kremmling Field Office is seeking public comment on five commercial Special Recreation Permit renewal applications.

BLM issues commercial SRPs to provide recreation businesses the opportunity to operate on BLM public lands, to provide the public the opportunity to use a guided service for recreation activities, to implement recreation management decisions, and to ensure a fair return to the public for commercial use on public lands. The five SRP applicants are:

1. Reeder Creek Ranch – guided fishing trips on the Colorado River
2. Breckenridge Adventure Tours - guided rafting and fishing trips on the Colorado River
3. Fly Fishing Outfitters - guided fishing trips on the Colorado River
4. Adventures in Whitewater – guided raft trips on the Colorado River
5. Santa Fe Adventure Tours – guided raft trips on the Colorado River

The BLM is seeking public comment regarding the applicants' safety history, any conflicts that have been associated with the applicants or their employees while operating on public lands, or any other information that would be useful to BLM as it considers the applicants' proposals. The comment period runs from Oct. 1 through Oct. 31, 2007.
